SPONSORSHIP HIGHLIGHTS

Digital Display Screen

Be one of the first to grab the newest APHL sponsorship opportunity! The Digital Display Screen allows you to not only promote your company to attendees, but also provides a service to them at the same time. Digital screens will be configured with show directories, such as agenda, exhibitors, maps and more—as well as space for your company's choice of digital logo or image, a link to your website, and even the option to show a company video on the screen. Finish off the screen with custom headers or footers with your company logo to really call attention to your brand. Up to four (4) sponsors may participate (one per screen) and the location of the screen within the venue will be mutually determined between APHL and the sponsor.

Welcome Gift

Be one of the first companies to make an impression on APHL attendees by providing them a logo welcome gift as they check in to pick up their badge! Your company can select and order an item according to your marketing themes and APHL staff will distribute them with your compliments as each attendee picks up their badge!

Educational Grant/General Conference Support

Help build a more educated workforce by bringing additional laboratory professionals to the APHL Annual Conference. This also means an increase in exhibit hall attendees!

For each \$3,000 contribution you will receive a quarter page ad in the printed program as well as signage recognition.

Badge Lanyards

Few sponsorships are more prominent throughout an event than badge lanyards—putting your brand in front of all participants all day, every day! High-quality, one-color lanyards can be ordered in your company's color and are sure to be worn by the attendees.

Charging Stations

This is your chance to provide an essential need for attendees during the conference! Power up attendees with portable charging power banks that they can bring with them around the conference to stay connected! The kiosk itself will be branded with your company's logo, colors and/or message and attendees will thank you for providing this service!

Build recognition, announce products and draw attendees to your booth with a display advertisement in the conference program book, the attendees' complete conference reference. APHL determines the eligibility of any company or product for exhibit. Acceptance of an application does not imply endorsement by APHL of the applicant's products or services, nor does rejection imply lack of merit of same.
- 2. Refunds.** No refund may be made for space that is unused at any time during the exhibition. If space is unused at the opening of the exhibition, APHL may rent or use it without obligation or refund.

B. CANCELLATION OF EXHIBITOR CONTRACT

Restrictions.** In its exhibit area, APHL endeavors to arrange for a representative group of displays that will provide cross-sectional appeal to the varied interests of all segments of its membership. Accordingly, it is understood and agreed that APHL reserves the right to make such selections from the applications received that will, in its judgment, most effectively contribute to the achievement of the foregoing objective. Distribution of souvenirs and samples is permitted from the assigned booth space provided there is no interference with other exhibits. APHL may withdraw permission if they find the material objectionable under the criteria established above.
