

CLIA Waived Testing – A Moodle Course

Alaska State Public Health Laboratory

Developed by: Doris Thompson

Alaska's CLIA website: <http://dhss.alaska.gov/dph/Labs/Pages/clia/default.aspx>

Moodle Class website: <https://learn.dhss.alaska.gov/>

This e-class uses materials that were prepared by Doris Thompson and Fran Lehr (state and Federal CLIA inspectors, respectively) for presentations across the state. The e-class contains their presentation slides as well as supplemental content to allow for further trainings throughout the state.

What is covered?

- The definition of a waived test
- How to correctly perform this testing
- Good laboratory practices
- CLIA waived testing resources
- Exercises and a final exam
- Certificate of completion

Did you know?

50% of the population of Alaska lives outside the three main cities (Anchorage, Fairbanks, and Juneau). Travel from outer areas (the bush) to one of these cities can be very expensive.
